Dear Retreat Folk,

We look forward to having you at our family retreat whether you are already a member of our camp family or just interested in finding out more about Camp Windhover, or just want time to be away with your family. Frank and I believe that camp is the prescription for whatever may ail you, as well as for simply restoring your perspective on life. I guarantee you that you will find something to bring back home that will be a source of deep satisfaction.

For any retreat check in at the office (on the right side of the road after you pass the pool) for cabin assignments and pertinent information prior to unloading into cabins. We do not provide linens. For your comfort and safety, we recommend that you wear closed-toe shoes and leave sandals and flip flops at home as you will be playing harder than usual and need shoes with structure. Leave valuables at home, as well as gum and candy. Do bring bug spray and sunscreen. Do bring a swim suit for the retreat.

For the Family Retreat, we do all sorts of activities like canoe, archery, crafts, and wilderness skills, as well as zip, blob and play in the lake and creek. Sometimes we also climb the rock wall, and we enjoy time around the fire and looking at the stars, if the weather cooperates. We'll play all sorts of games and become "camp" to and for one another.

You may prefer a bedroll or sleeping bag to traditional bedding. Pack according to possible weather contingencies, and pack with it in mind that you will get wet in the creek or mud puddles, should it rain, multiple times.

Thanks for your interest in and support of Camp Windhover!

Mrs. Celia, Camp Director/ Co-owner
